17 November 2021

Dear Parents/Carers,

During our forthcoming Christmas break the car park in front of the Holy Spirit Parish on Ross River Road will be redeveloped. This redevelopment will include the redesign of the car park, re-bitumen of the surface of the car park, line marking/signage, which includes pedestrian crossings and designated drop off and pick up zones to ensure the safety of all students from Holy Spirit Catholic School and Ignatius Park College. The redevelopment of the car park is the result of the cooperation between the two schools and the Holy Spirit Parish.

It is anticipated that construction will commence on Monday, 6th December and will be completed by Monday, 24th January when school re-commences in 2022. During this time the car park will be fenced off (as a construction site) and parents/carers will not be able to access either Holy Spirit School or Ignatius Park College via the parish car park. Likewise, access to the parish will be restricted during this time. Please be aware that the completion date of the car park could vary and will be dependent upon weather during the holidays and any other unforeseen circumstances. If the car park is not fully completed prior to the commencement of school in 2022, we will notify both communities with alternative arrangements.

This is an exciting redevelopment that will ensure easier access into and out of the car park for parents and carers, with allocated drop off and pick up zones for both schools and signed pedestrian crossings and walkways for safety of each student. Thank you for your patience during this redevelopment phase.

If you have any concerns, please do not hesitate to contact the school.

Kind regards,

Geraldine Egelton
