## Commitment

*I wish to take part in my continuing Faith Journey. I understand that to be part of this journey I will need to attend Mass, learn my prayers, attend the sessions on time and whilst there listen attentively and work with my teachers. With the support of my parents, I will make sure that I am on time for all the ceremonies.*

..... Child

*I/we will support our child on their faith journey. We realise that it is important for our child to attend all the sessions and be on time, to attend and participate in the weekend Masses and to learn the prayers of their faith.*

*In the event that my child misses any workshop, this may be a ground for her/him not to be allowed to proceed with the program if no makeup session is rendered.*

..... Parent/s

*I, Fr John Kunnathumadappallil on behalf of the Sacramental Team of Holy Spirit Parish and with the assistance of the staff of Holy Spirit School commit to instruct and support your child/children on their journey through the Sacraments.*
