

REPRESENTATIVE TRIALS 2025

Students who are turning 10, 11 or 12 this year have the opportunity to trial for Townsville School Sport and Northern School Sport for their respective sports. To nominate for these trials, the school must submit a nomination form of only 4-5 students who are deemed to be suitable for trials.

The nomination process:

1. Student and families are to complete a Representative Trial Expression of Interest form and submit it to the school. Forms can be collected from Mrs Lobley or the main office.
2. If necessary, the school will conduct an in-house trial to determine the 4-5 students.
3. If successful, the school nominates students to Townsville School Sport. It is the responsibility of the family to take their (nominated) child to the Townsville School Sport trials held after school.
4. If successful, the student is selected to represent Townsville in their sport. Travel and extra costs are usually incurred.
5. If successful, the student is selected to represent Northern School Sport. Travel and extra costs are usually incurred.
